Shropshire Sands have created a Garden of Remembrance at Shrewsbury Crematorium, it is a special place for parents and their families to visit when they wish to remember their baby, especially at times like their baby's anniversary or at Christmas.

There are two 'thinking benches' where families can sit in this tranquil and peaceful area.

Please feel free to visit whenever you wish.

How do you find the garden?

Drive into the main car park, stand with your back to the Crematorium building, and the garden is located in the far right hand corner of the grounds.

If you follow the small drive on the right, back towards the main road, there are the Crematorium offices, and the Garden is located to the right of this building, underneath some tall trees.
